

GRAND UNION NARROWBOATS

HOW TO FIND US

By Road

We are easily accessed either via the M1 Junction 16 and the A45 towards Daventry, or via the M40 junction 11 and the A361 towards Daventry, then getting onto A45 towards Northampton.

The entrance to the boatyard in Weedon is on the High Street opposite the Heart of England pub. As picture 1 shows, there is a sign at the entrance to the lane which says 'Bosons Locker Self Storage'. Turn down here and follow the lane along the side of the railway and stop at the gates shown in Picture 2.

Please press the buzzer on the gate to gain our attention.
